Descriere produs

Italiana Ferramenta Rekord Tech Rekord Tech is a development of the REKORD levellers. Rekord Tech is a concealed leveller to be fixed in the side panels and is suitable for heavy duty wardrobes, bookcases and modular furniture, as well as for flat-pack furniture. Rectangular base can be used for side panels with 16mm. Rekord Tech is installed into the bottom edge of the side panel and it is then adjustable through a Ø6 mm hole from the inside, by using a S4 mm allen wrench. Even with a loaded cabinet, the adjustment is easy and smooth. Rekord Tech is available in multiple heights, with a maximum adjustment range of 25mm. In any case, all versions grant a capacity loading of 400 Kg each. Key Features: Multiple heights available with an adjustment range of 25 mm Supports up to 400 kg per leveller for unparalleled stability Fits discreetly into furniture side panels for a professional look Rectangular base for 16 mm panels, round base for 18 mm panels High-precision gears allow effortless levelling, even under pressure Ideal for wardrobes, modular furniture, and heavy-duty constructions
